Volunteer Position: Driver Volunteering Opportunities

Type of Position (In-person, hybrid, virtual/remote): In-person

Volunteer Position Description:

For two unforgettable days on **June 10-11, 2023**, The Princess Margaret Ride to Conquer Cancer will celebrate its 16th year of contributing to life-changing cancer research. The Ride, a 200+KM route, will be filled with determined cyclists of all kinds, cheering supporters, and an overwhelming sense of comradery and community. We've raised over \$230 million for cancer research, helping millions of people in Canada and around the world.

Volunteers contribute their time, skills and creativity to help us bring the event to life and we are looking for passionate people who want to have a positive impact on their communities. Volunteers help us in many different areas including assisting to execute the powerful Opening Ceremony in Toronto, helping us build our Main Campsite in Hamilton, and managing the busy Finish Line in Niagara Falls. Volunteering is a great way to make a difference!

There are many different opportunities on the Friday, Saturday, and Sunday of Ride weekend to volunteer as an individual or as a group and we look forward to working with you to find a good fit. If you are interested in supporting our recruitment efforts, we would be happy to share with you some more resources to spread the word to your own internal networks and contacts.
